Southwest Christian Academy bases its educational philosophy on the fact that the Bible, and only the Bible, is the inspired Word of God.

As a Christian school, we partner with parents to help their children attain academic, spiritual, and physical excellence by using a curriculum that teaches lessons through a Biblical system of values and providing a faculty of dedicated Christian instructors.

We invite you to partner with us in the education of your child.

Train up a child in the way he should go, and when he is old, he will not depart from it. Proverbs 22:6

SOUTHWEST CHRISTIAN ACADEMY ADMISSIONS POLICY

SPIRITUAL

Southwest Christian Academy is a Christian school whose outreach is to families who are committed personally and exclusively to Christ, Christian values and to the Word of God as our source for truth.

EDUCATIONAL

Southwest Christian Academy does not administer entrance exams. Evaluation for entrance and grade placement is based on parent interview, student interview, and previous school records. Falsifying information is considered a serious offense and can result in possible dismissal of the student or subsequent required testing and evaluation of the student. The parents and the school must make an honest evaluation of the student to assure optimal learning in the classroom. The foundational skills required in the early grades (K-3), are essential before moving to the more independent skills expected from grade 4 and up. Parents must be willing to support their children with necessary individual help in evening studies, and/or private tutoring when deemed necessary. Southwest Christian Academy does not consider the repeating of a grade to be a failure on the part of the student. It is our policy to retain a student only once at the elementary level. Students who are two years behind may need an alternate program with special services to address learning needs.

BEHAVIORAL

All students are expected to comply with behavioral guidelines. Students in grades 6-12 are asked to personally sign a Statement of Cooperation. In addition to the expected parental support, we expect our Middle and High School students to accept accountability for their own conduct. Students must be willing to align themselves with our philosophy of education and promote the standards deemed characteristic of our school.

SUPPORT

Attending Southwest Christian Academy is a privilege and not a right. This privilege is conditioned upon all family members showing support toward the administration and faculty of the school.

ADMISSION

All students must qualify for entry each year, whether seeking admission for the first time or re-admission for an upcoming year. Southwest Christian Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to all students at the Academy. We do not discriminate on the basis of race, color, national or ethnic origin in the administration of our educational policies, admissions policies, and all athletic and other school-administered programs.
